

SENDSational

Half termly newsletter

Welcome to the Autumn 1 newsletter for SEND.

Click the pictures to take you to websites and videos for support.

SEND Support Plans on Edukey will be reviewed by the 24th October and new ones completed by the 7th November. See instructions below for the process. If you don't have access, please contact your class teacher.

PINS Project

We are now part of the PINS 2 project which supports us in accessing further training for staff to enhance our school offer. We have training in Emotion Coaching, OT Champion, Neurodiversity champion and more coming up. High quality teaching and provision is the most effect support for ALL pupils, so investing in training for our staff is key to this.

In order to support the PINS project, we are also creating a Parent/Carer Participation Group with Family Voice Surrey (FVS), the Parent Carer Forum for Surrey. The group is for all parent carers of children with Special Educational Needs and Disability (SEND); no diagnosis or EHCP is required.

- We will hold regular meetings in order to:
- Work co-operatively with the school
- Ensure that parent carers have their voices heard by the school
- Bring parent carers together to share experiences

The first meeting will be held on **Friday 14th November 9am-10am in the Hive**. Teas & Coffees will be provided.

You are welcome to drop in to the meeting, but you can also indicate your attendance, with a note that you are an Ashley parent - by emailing Victoria Bailey at Family Voice Surrey on surreyheath@familyvoicesurrey.org

Courses & Support

Navigating the Maze: webinars for parenting neurodivergent children & young people

SURREY ADULT LEARNING

Free online parenting courses for anger, resilience, routines and lots more!

Highly regarded 'Stepping up for Autism' parenting course with other support available. Please contact SENCO for a referral. This can lead to 1:1 sessions with parents if required.

National Autistic Society
